MINSA TRADING COMPANY LLC: COMPANY PROFILE

OVERVIEW

Minsa Trading Company LLC is a premier wholesale and retail distributor of high-quality industrial tools and premium-grade materials. We are more than just a point of sale; we are a showcase of global standards. While others simply move inventory, we deliver engineered solutions.

ABOUT US

Founded on the principle of "Precision in Selection," Minsa Trading serves as a vital bridge between world-class manufacturers and discerning industrial end-users. In an era where genuine quality can be difficult to source, we stand as a sanctuary of reliability. We leverage deep market intelligence and a meticulously vetted supply chain to ensure our clients have access to the finest industrial materials available globally. At Minsa Trading, we go beyond supply—we cultivate long-term partnerships through technical expertise and uncompromising quality standards.

OUR VISION

To be the most trusted global benchmark in industrial supply, recognized for redefining the standards of quality, reliability, and precision. We aim to empower the industries that build our world by ensuring every professional has access to the finest tools engineered by human ingenuity.

OUR MISSION

To bridge the gap between world-class manufacturing and industrial end-users through a curated portfolio of high-performance goods. We are committed to precision sourcing, strategic partnership, and maintaining a seamless supply chain that empowers our clients to perform with confidence.

CORE PRODUCT

1. SAFETY EQUIPMENT;

High-performance gear built for compliance and endurance.

◆ **Wearables:**

Helmets, gloves, goggles, face shields, safety shoes, and reflective vests.

◆ **Safety Systems:**

Fall-arrest harnesses, respirators, first-aid kits, and barricades.

2. POWER TOOLS & INDUSTRIAL MACHINERIES

Premium equipment engineered for precision and heavy-duty performance.

◆ **Handheld Tools:**

Drills, grinders, rotary hammers, circular saws, and heat guns.

◆ **Heavy Equipment:**

Asphalt cutters, chain saws, compactors, and generators.

◆ **Utility:**

Water pumps, compressors, pressure washers, and industrial fans.

3. LIFTING & RIGGING MATERIALS;

Safety-critical solutions tested for maximum load-bearing integrity.

◆ **Hardware:**

Shackles, hooks, turnbuckles, eye bolts, and load binders.

◆ **Equipment:**

Chain blocks, lever hoists, wire ropes, and webbing slings.

4. PROFESSIONAL HAND TOOLS;

Industrial-grade tools designed for durability and daily professional use.

◆ **Range:**

Wrenches, spanners, screwdrivers, pliers, hammers, chisels, and hex keys.

◆ **Precision:**

Measuring tapes, spirit levels, and layout tools.

5. WELDING & FABRICATION;

Technical equipment and consumables for superior site operation.

◆ **Machinery:**

MIG, TIG, and ARC welding machines and gas cutting torches.

◆ **Consumables:**

Electrodes, filler rods, welding wires, and grinding discs.

6. CONSTRUCTION MATERIALS & SITE ACCESSORIES;

Heavy-duty site essentials and masonry tools built for the rigors of the field.

◆ **Tools**

Shovels, spades, pickaxes, crowbars, and masonry trowels.

◆ **Handling:**

Wheelbarrows, platform trolleys, and oil pumps.

◆ **Consumables:**

Hessian cloth, spacers, tie-rod accessories, and industrial twine.

7. LUBRICANTS & PAINTING SUPPLIES

Maintenance and finishing products for smooth operation and superior results.

- **Lubrication:**
Industrial greases, specialized lubricants, and spray lubricants.
- **Painting:**
Professional paints, primers, thinners, rollers, and spray equipment.

9. HARDWARE & TAPES;

Versatile maintenance and sealing solutions for industrial and site utility.

- **Adhesive Solutions:**
Duct, masking, aluminum, and electrical tapes, plus specialized Teflon and gypsum tapes.
- **Safety & Marking:**
High-visibility warning and caution tapes, and floor marking solutions.
- **Site Hardware:**
Industrial ladders, caster wheels, gas heating torches, and heavy-duty packing accessories.

8. CUTTING & ABRASIVES;

High-performance precision tools for superior material removal and finishing.

- **Precision Cutting:**
TCT & annular cutters, SDS bits, core bits, and hole saws.
- **Abrasives & Finishing:**
Grinding wheels, diamond blades, flap wheels, and sanding discs.
- **Manual Refinement:**
Abrasive papers, sharpening stones, and wire brushes for stainless and carbon steel.

10. HOSES & FITTINGS

Engineered fluid and gas handling systems for secure, high-pressure operations.

- **Specialized Hoses:**
Hydraulic, suction, discharge, and fire hoses, along with TIG and Argon gas lines.
- **Connectors & Couplers**
Camlock fittings, Chicago couplers, and high-tension hose clips.
- **Fastening & Scaffolding:**
Anchor bolts, self-tapping screws, and comprehensive scaffolding accessories.

Why Partners Choose Minsa Trading

Wholesale & Retail Versatility:

Tailored sourcing for both large-scale industrial contracts and individual professional needs.

Vetted Reliability:

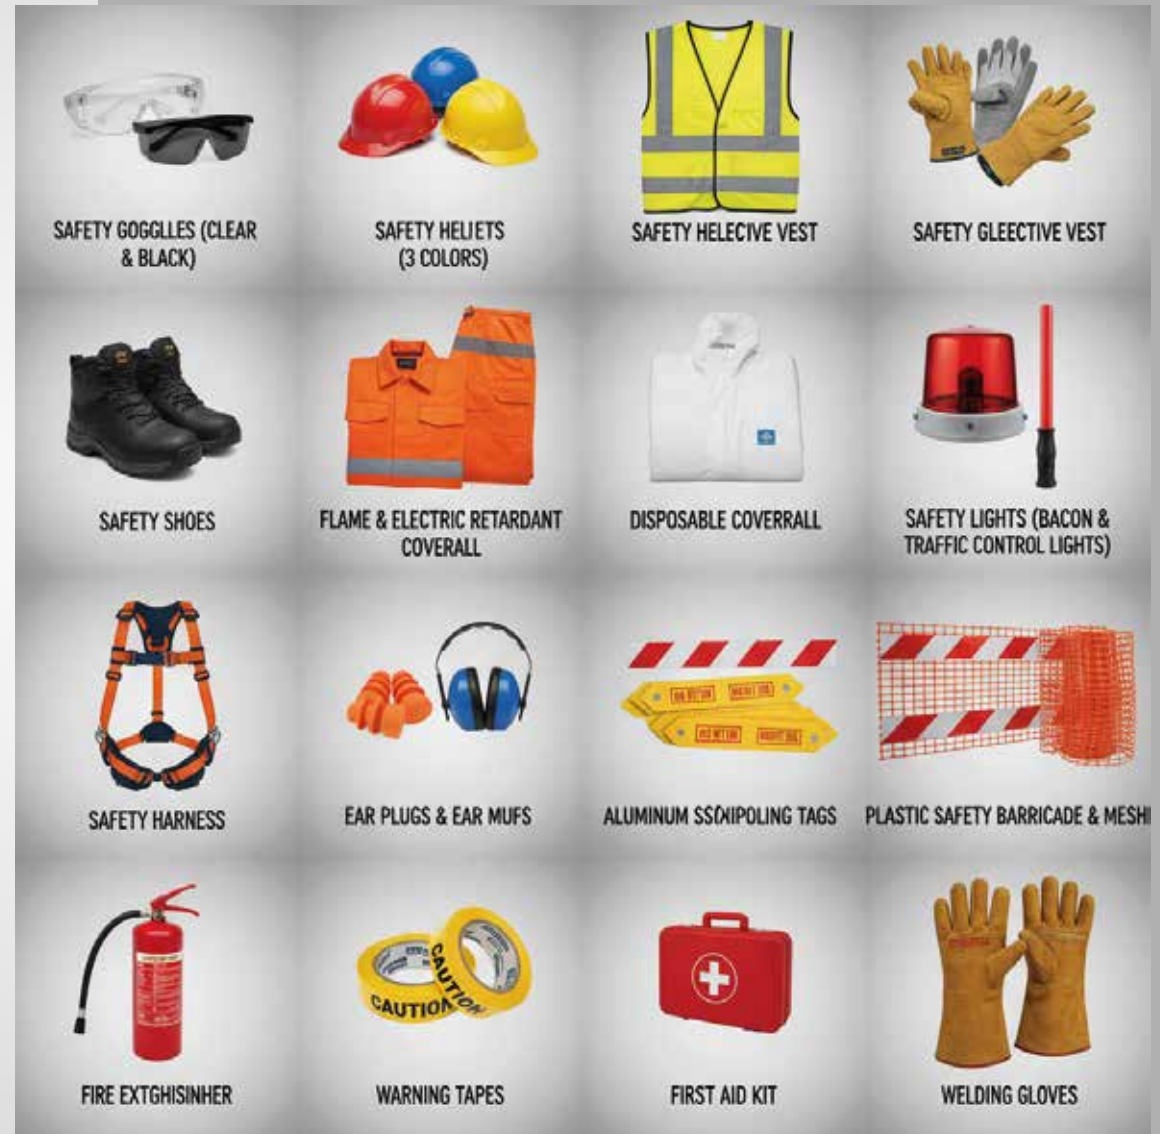

Every product is rigorously inspected to ensure it meets global safety standards.

Technical Partnership:

We provide the expertise to ensure you have the right tool for the specific demands of your project.

SAFETY EQUIPMENT

Protect your workforce with Minsa Trading Company's high-performance safety gear. From head-to-toe protection—including safety helmets, gloves, goggles, face shields, safety shoes, and reflective vests to site essentials like respirators, harnesses, first-aid kits, safety lights, warning tapes, and barricades, our products are built to endure the toughest environments. We combine user comfort with uncompromising quality to ensure every item meets strict workplace safety regulations.

POWER TOOLS & INDUSTRIAL EQUIPMENT

Minsa Trading Company supplies a premium range of power tools engineered for high-performance, durability, and precision. Our extensive inventory features everything from professional-grade drills, grinders, and rotary hammers to heavy-duty machinery including asphalt cutters, compactors, and generators. Whether you require high-pressure washers, industrial fans, or reliable water pumps, our equipment is meticulously selected to ensure maximum efficiency and operational reliability for the most demanding construction and industrial applications.

DRILL & GRINDER

MITER & TABLE SAW

JACK & DEMOLITION HAMMER

COMPACTOR & VIBRATOR

CHAIN SAW & ASPHALT CUTTER

WATER PUMP

DIESEL & GENERATOR

CORDLESS DRILL & BITS

BENCH GRINDER & FAN

TILE CUTTER

PLANNER & JIGSAW

CORE CUTTER & MAGNETIC DRILL

WATER PRESSURE PUMP

CORDLESS TOOLS

CORDLESS TOOLS

AIR COMPRESSOR

LIFTING & RIGGING MATERIALS

Minsa Trading Company supplies premium lifting and rigging solutions engineered to the highest standards of safety and reliability. Built for the most demanding industrial and construction environments, our range includes durable chain blocks, lever hoists, wire ropes, and webbing slings, alongside essential hardware such as shackles, hooks, turnbuckles, eye bolts, and load binders. Every product is rigorously tested for strength and load-bearing integrity, ensuring secure operations and long-lasting performance on every project site.

PROFESSIONAL HAND TOOLS

Minsa Trading Company offers a comprehensive range of professional-grade hand tools crafted to the highest standards of quality and reliability. Our extensive selection includes wrenches, spanners, screwdrivers, pliers, and hammers, alongside precision instruments such as chisels, hex keys, measuring tapes, spirit levels, and utility knives. Each tool is meticulously selected for its durability, precision, and dependable performance, ensuring it stands up to the rigors of daily industrial and construction use.

SOCKET SET

VICE GRIP & AVIATION SNIP

ALL KINDS OF PLIERS

HAND SAW & HACK SAW

PIPE & ADJUSTABLE WRENCHES

COMBINATION & RING SPANNERS

SCREWDRIVER SET

BRASS TOOLS &
HAMMER WRENCH

BOLT & CABLE CUTTER

PLIERS & CRIMPING TOOLS

CHISEL & CUTTER

SPRAY GUN

PULLERS & FILTER
WRENCHES

BENCH VISE

MECHANIC'S
CREEPER

VARIOUS CLAMPS

WELDING & FABRICATION

Minsa Trading Company provides a high-performance range of welding and fabrication equipment engineered for precision and industrial durability. Our comprehensive inventory includes advanced MIG, TIG, and ARC welding machines, as well as essential consumables such as electrodes, filler rods, and welding wires. We also supply heavy-duty gas cutting torches, clamps, grinding discs, and specialized welding helmets to ensure maximum safety. Every product is selected to deliver efficient operation and superior results in the most demanding construction and fabrication environments.

LUBRICANTS & PAINTING SUPPLIES

Minsa Trading Company supplies a comprehensive range of premium lubricants and painting accessories engineered for high-performance and reliability. Our inventory features industrial-grade lubricants, greases, and spray lubricants alongside a full suite of painting essentials including high-quality paints, primers, thinners, and masking tapes. We also provide professional application tools such as brushes, rollers, spray equipment, and surface preparation tools. Each product is carefully selected to ensure smooth operational performance, exceptional durability, and superior finishing results.

CONSTRUCTION MATERIALS & SITE ACCESSORIES

Minsa Trading Company offers a comprehensive range of high-quality construction materials and site essentials engineered for durability and reliable performance. Our inventory features heavy-duty excavation and masonry tools including hand shovels, spades, pickaxes, crowbars, and trowels alongside specialized equipment such as wheelbarrows, platform trolleys, and sealant guns. We also supply critical site consumables like hessian cloth, spacers, tie-rod accessories, and industrial ropes. Every product is carefully sourced to meet professional standards, ensuring safety, efficiency, and long-lasting utility on every project site.

CUTTING & ABRASIVE

Minsa Trading Company provides an extensive range of high-performance cutting and abrasive tools, including precision TCT annular cutters, diamond blades, and specialized SDS bits designed for the toughest industrial applications. Our inventory features top-tier branded materials such as SS and CS cutting discs, flap wheels, and cup grinding wheels that ensure superior finishing and long-lasting durability. From heavy-duty hole saws to fine abrasive papers and sharpening stones, we supply every essential tool needed for professional-grade metalworking, masonry, and surface preparation.

OTHER HARDWARES & TAPES

Minsa Trading Company provides a comprehensive range of premium hardware and specialized tapes, including high-grade ladders, caster wheels, and heavy-duty gas heating torches designed for industrial durability. Our collection features essential safety and precision tools such as respiratory masks, water test pumps, and pipe benders, all sourced from trusted, high-quality brands. Additionally, we stock an extensive variety of adhesive solutions—from aluminum and warning tapes to specialized argon and electrical tapes—ensuring every project is secured with professional-grade materials.

HOSES & FITTINGS

Minsa Trading Company offers a robust selection of industrial-grade hoses and fittings, ranging from high-pressure hydraulic and TIG hoses to specialized fire and suction lines designed for extreme environments. Our inventory includes precision-engineered accessories like Camlock fittings, Chicago couplers, and heavy-duty hose clips to ensure leak-proof and secure connections for any application. Furthermore, we provide a full suite of branded fastening solutions and scaffolding accessories, including anchor bolts and high-tensile nut-washer sets, to support the structural integrity of your construction and maintenance projects.
